Dear Sirs,

LED ZEPPELIN

We refer to the above group's recent trial broadcast in "Top Gear".

The recording of their part in this programme has now been played to our Production Panel, and we are pleased to inform you that their performance received favourable reports. As a result, their name has been added to the list of artists available for broadcasting generally.

You will, no doubt, appreciate that the selection of artists from the large number suitable for broadcasting is governed by our programme requirements; however, if we are able to offer an engagement we shall, of course, get in touch with you immediately.

Yours sincerely,

(David Dore)
Assistant To Light Entertainment
Booking Manager.
