

## **The Big Question**

### **Activity 2: Varieties of theism.**

Discuss the clips and quotes from the 'God' section of 'The Big Question'.

- What does each one mean?
- Is it the case that they illustrate the insolubility of the 'God question'?
- Do they show that the 'God question' matters?
- Who is persuasive and makes a good point?
- Who is talking ignorantly?
- Where do your own ideas about God come from?
