

Stuffed Dates Recipe

Ingredients:

- Small packet of marzipan**
- Box of dates with stones**
- Coloured sugar strands to decorate**

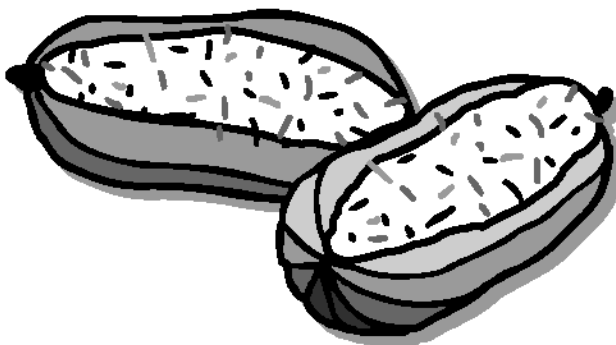

Equipment:

- Small knife**
- Paper sweet cases**

Method:

- 1. Ask an adult to use a knife to cut along one side of each date and remove the stone.**
- 2. Roll a little marzipan into a sausage shape and put it inside the date where stone was.**
- 3. Decorate your stuffed dates by pressing the upper side of the marzipan into coloured sugar strands. Put them into paper sweet cases.**

Alternative:

You can use cream cheese instead of marzipan if you prefer. Just ask an adult to cut it into date stone sized rectangles. Then put it inside the date and decorate as above.
