

Worksheet: Sentence construction 2 Answers

 Here are the words in the right order.

- 1 It is very important to find the best order of words.
- 2 You need to make the sentence as clear as possible for the reader.
- 3 You should be able to hold the whole sentence in your head before writing it down.
- 4 If you can't hold the sentence in your head, it is too long.
- 5 Fluency in sentence construction is one of the most important skills in writing.
- 6 Words need to be juggled until they are in the best order.
- 7 In this way the sentence can be most easily understood.
- 8 It takes plenty of practice to find the best order of words.
